RE: American Security & Investigations

Dear Prospective Client:

I am writing this letter of recommendation on behalf of American Security & Investigations. Rouse Management began using American Security in 2007 to provide on-site security personnel and mobile patrol services for our College Park and Springbrook Row Apartments located on the UW-Madison campus.

We believe having security officers on-site helps eliminate issues with underage drinking parties, trespassing, and vandalism. Our college-age residents and their parents have responded very positively to the increased security presence on-site.

American Security has been able to handle any requests for coverage, even at the last minute. They always provide professional officers that go above and beyond to protect our property and residents. I would highly recommend American Security to anyone experiencing security issues or concerns at their property locations. I plan to continue to use American Security for all of my security needs.

Sincerely,
Helena Manning
